BRIEF ABSTRACT OF LETTER.

Requests that G.O no 9594-5 med 53-08-8 & 2.4.09 may be so modified as to provide that patients in the Special wards shall find nurses at their own expense, if they are required, in lieu of an payment of an extra charge of Rs 2 per day for each nurse, as stipulated in the Schedule appended to the G.O

NOTES AND ORDERS.

The proposal tends to enhance the fees for treatment in the Special wards. It is a question whether the existing nurses of the Hospital cannot be made to take up additional work since relating to the treatment

of the patients in the Special wards the extra fee of Rs 2 for each nurse levied from the patients being paid to the nurses as remuneration for the additional work. This may perhaps be done unless the nurses are now so absorbingly employed on Hospital work that they cannot be expected to attend on the patients in the Special wards. But for the Special wards newly opened, the work of attending on patients (who now seek admission to the Special wards) would naturally have devolved on the nurses of the Hospital.

The Schedule appended to G.O 2.4.09 is based on the one in force in the Genl Hospital, Madras and it is not known whether there also occasions arise in which patients in Special Pay wards will be made to pay ~~extra~~ for nursing in excess of the scale of fees adopted, when the Hospital nurses are so fully engaged as not to be able to attend on patients in the Special wards

special wards shall find nurses at their own expense if they are required. The finding of a trained nurse seems difficult and it is desirable therefore that this duty rest on the Hospital authorities, the patient being required to pay some fixed charge. If the charge of Rs 2 per day fixed by the S.O is considered too little it may be raised to any reasonable amount. The Senior Surgeon's proposal to train some private nurses has already been sanctioned and a few years hence they will be available for employment and the difficulty now put forward may not exist.

No.604 dated 16-10-09 from the Medical Officer in charge Victoria Hospital, Bangalore, to the Senior Surgeon with the Government of Mysore, Bangalore.

With reference to your No.1865/F.126 dated 12-10-09 forwarding copy of No.3168/Med.7-09-4, dated 1-10-09 from the Secretary to Government, General and Revenue Departments, I have the honor to state that the charges for special nursing are Rs.2/- per diem in the General Hospital, Madras, where nurses from the permanent staff can be easily spared as it has a large staff of extra nurses. This system is unworkable in this Institution as the permanent nursing staff is not sufficient for this purpose.

If patients require special nursing besides what Hospital arrangements ~~do~~ can afford, they have to arrange themselves for such nursing, at their own expense.

The local charges for private nursing are Rs.5/- per diem with everything found.

The Hospital authorities cannot undertake to provide private nurses as they ( nurses ) are not always -- available, even for such high rates as above.
